21	Timber Creek	●	●	●			●		●	43.945990	-86.000032

Stay Safe on the River

Each watercraft occupant must have a Personal Flotation Device (PFD). Children 12 and under must wear a PFD at all times.

Be aware of your surroundings and of river conditions:

- Watch for floating and submerged obstacles.
- Avoid standing in/diving from watercraft.
- High water levels can be unsafe for river travel.
- Be ready for sudden weather changes.

Fasten all valuables and equipment to your watercraft to prevent loss and littering.

Bring drinking water with you or obtain water from pumps. Drinking untreated water from the river is unsafe.

Fishing

Sections of the Pere Marquette River have special fishing regulations. For example, from M-37 to Gleason's Landing it is artificial flies only and catch and release. Other regulations apply from Gleason's Landing to rainbow Rapids. Before your trip you should consult the DNR's website: http://www.michigan.gov/dnr/ for the most up-to-date information.
