Tulsa District

SHEPPARD POINT

Campsite Occupancy Policy

“Occupancy of any individual campsite will be limited to one camping unit of the type that would normally connect to the utility system to be fully functional (motor home, trailer, pop-up trailer, pickup camper, etc.). Additional units of this type will not be allowed on the same site, even if they do not connect to the utilities. At the discretion of the lake Manager, additional tent camping units may be allowed in conjunction with the primary camping unit. In all cases, the total carrying capacity of any campsite will be determined in advance by the Lake Manager in order to clearly instruct Gate Attendants in this policy.”

- MAXIMUM NUMBER OF PERSONS** 8
- MAXIMUM NUMBER OF VEHICLES** 2

Site Fees:	101-117	Non-Electric	\$10
	118-137	30-amp Electric	\$16
